or Sally Green**

**e-mail:
naturalenvironment@southglos.gov.uk**

South Gloucestershire Council's **Landscape Consultancy**

We are a friendly team of fully qualified landscape architects with a wealth of experience in planning school grounds and play areas for schools, local play groups, town and parish councils and sure start centres.

We can tailor our design services to your needs, including:

Sketch ideas for you to build yourselves
Planting plans
Detailed design
Managing the build contract for you
Maintenance plans

For further information and an informal discussion please contact:
